Businesses Beware: Hong Kong's New Data Privacy Laws Heightens the Risk of Collecting and Using Personal Data

9 December 2021

Presenter:

Mr Alan Lee

Mr Alan Lee is an Associate Partner of EY Financial Services Consulting practice. He has over 20 years technology consulting experiences focusing on regulatory compliance, cyber security and data privacy. He led numerous regulatory advisory projects to assist banks in various key initiatives including core banking systems migration and relocation, cloud adoption, outsourcing, banking services digitalization, and cyber security assessments. He has led cyber security framework development projects for regulator, government and top-tier enterprise.

He is also specialized in data privacy where he has established and implemented enterprise-wide data privacy governance programme for large enterprises covering multiple jurisdictions as well as advising territory-wide initiatives from data privacy perspectives.

He is a frequent speaker in seminars to share his insights and experiences to senior management of corporations. He spoke in the Hong Kong first and second launches of KnowledgeNet (CPE) events and Asia Privacy Forum of the International Association of Privacy Professionals (IAPP), CPE seminars of Information Systems Audit and Control Association (ISACA), Institute of Internal Auditors (IIA) and Hong Kong Institute of Bankers (HKIB) on data privacy.

He has contributed to professional publications where he is a development team member of "ISACA Privacy Principles and Program Management Guide" published in 2016 and "ISACA Implementing a Privacy Protection Program" published in 2017. He is one of the two expert reviewers of "GDPR Data Protection Impact Assessments" published in 2017.

He received his Doctor of Business Administration from the Hong Kong Polytechnic University. He is a Certified Information Systems Auditor (CISA), Certified Information Security Manager (CISM), Certified Information Systems Security Professional (CISSP), Certified Information Privacy Technologist (CIPT), fellow member of the Institute of Chartered Accountants in England & Wales (ICAEW) and Hong Kong Institute of Certified Public Accountants (HKICPA).
