Technology Series: Utilising Data to Reveal Governance Trend and Prepare for Your Shareholder Meetings

9 March 2022

Speaker:

Mr Herman Choi

Mr Herman Choi is the Senior Lead ESG Advisor of APAC of ISS Corporate Solutions.

Herman Choi joined ISS Corporate Solutions in 2021, responsible for managing the advisory business in APAC. His specialties include providing issuers with insights into proxy voting standards and corporate governance best practices of the investment community in the preparation of shareholder meetings.

Prior to this role, Herman worked as Assistant Vice President at Georgeson, managing corporate advisory projects with focus on high-profile M&A deals and delisting, and for shareholder meetings ranging from directors' elections to connected transactions. He worked closely with listed companies in Hong Kong and their financial advisors mainly through shareholder monitoring, proxy advisor risk analysis, voting policy evaluation and shareholder engagement. Through project leadership in complex situations and dialogues with investment stewardship professionals and the event-driven community, he developed a solid understanding of shareholders' perspectives and concerns in relation to various proposals being put forward by either the management or shareholders. He holds a B.A. degree from the University of Hong Kong.
