

## **Ms Carey Lo**

**Ms Carey Lo** is Vice President and Head of Client Solutions for Greater China at Alliance Advisors where she is responsible for client management in the Greater China region. She is an experienced corporate relations expert, having specialized in client relationship management for corporate advisory service since 2012.

Carey's expertise encompasses corporate valuation, investor relations, shareholder identification, proxy advisory, share registry and ESG advisory services. Prior to joining Alliance, Carey held a client management role in a Hong Kong Exchange listed company and oversaw the provision of valuation and ESG advisory services to PRC and HK listed companies. She has also worked as a corporate relationship specialist, focusing on managing HK and Greater China clients for investor-related advisory services.
