- **Results of the Institute's survey on the new brand and services – President's Forum – A New Vision 2022**

The Institute unveiled its new brand identity and revamped website in January 2022, with the aim of broadening its authority and to promote the concept of 'Better Governance. Better Future'. Amongst other things, the initiative was designed to enhance the employment and other business opportunities for members, whose roles and responsibilities as governance professionals have evolved to embrace a wider remit of practical governance concerns.

A related survey was circulated in early March to further enhance the Institute's brand and services through constructive feedback from members, graduates and students. Results of the survey will be announced at the **President's Forum – A New Vision 2022** on 7 April 2022, where Ernest Lee FCG HKFCG(PE), Institute President and Technical Partner, Deloitte China, and Paul Stafford FCG HKFCG, Institute Vice-President and Regional Company Secretary and Head of Corporate Governance, Asia-Pacific, HSBC, will also discuss and respond to questions in relation to the survey and the new brand identity.

- **Diversity Matters**

The Institute is committed to promoting good governance and board diversity. One issue at the forefront of our mission is gender diversity, which leads to better decision making and business efficacy.

In this regard, Gillian Meller FCG HKFCG(PE), Institute Immediate Past President and Legal and Governance Director, MTR Corporation Limited, issued a call to action under the Institute's report 'Missing Opportunities – a Review of [Gender Diversity](#) on Hong Kong Boards' in February 2021.

The Institute is now delighted to report that Ms Meller is leading by example. MTRC has published an updated "Board Diversity Policy" in March 2022 to show its commitment to equality of opportunity in all aspects of its business. With immediate effect, there must be no less than 20% female representation on its Board and a target of 25% by 2025. Join our Institute and Ms Meller in making diversity real. It is a business issue and in good governance.
