▪ HKCGI's New Brand Identity

The Hong Kong Chartered Governance Institute (HKCGI and the Institute) is excited to unveil its new brand identity with the launch of its website!

HKCGI's new logo incorporates the corporate palette of our global Institute, CGI. The inverted 'V' design is reminiscent of a compass and its North pointing needle. It is symbolic of our Institute's core mission of helping our members navigate through the increasing complexity of the governance landscape by always charting the right course for governance professionals across different industries.

The Institute's modernised website features an interface that is both visually attractive and user-friendly, with practical content and new build-ins developed specifically for the convenience of our members and students. Interested parties may also retrieve helpful information on the various routes to membership easily.
