The poster features the logo for CHARTERED GOVERNANCE Hong Kong in the top left corner. The main title is 'Legal and Governance Practices Impacted by Generative AI: What Directors and Governance Professionals Need to Know'. Below the title, the date and time are listed: 'Tuesday 23 January 2024' and '4.00pm - 5.30pm'. On the right side, there is a 3D illustration of a white robotic hand with black joints, reaching towards a stack of six wooden blocks. Each block has a different icon: a scale of justice, a graduation cap, a checkmark, a gavel, a handshake, and a circuit board.

This seminar will focus on legal and governance practices impacted by generative Artificial Intelligence (AI). The agenda includes discussions on the transformative power of AI search engines, legislation governing the use of information generated by AI, the interplay between ethics and law, personal data privacy issues, intellectual property rights considerations and the impact of the new Copyright Amendment Ordinance.

Join us to gain valuable insights into the impact of AI technology on all aspects. Please register **before 21 January 2024 at 5.00pm**.
