## Leveraging Technology for Internal Control and Investigation

Tuesday 14 May 2024  
4.00pm – 5.30pm

This seminar provides valuable insights into the latest technologies, tools and techniques that can significantly improve the effectiveness of control mechanisms within an organisation. Experts from Deloitte will share best practices and real-world case studies, provide actionable takeaways, explain how to optimise investigation processes through advanced analytics, as well as how to leverage automation to streamline operations and reduce manual work.

Join us to learn practical approaches to leverage AI in risk assessment, fraud detection, and compliance monitoring, to enable you to proactively safeguard your organisation's assets and reputation. Please register **on or before 13 May 2024 (5.00pm)**.
