

Mr Dan Cheng

Mr Dan Cheng is the Vice President based in Hong Kong, heading ICS business in Greater China. Dan is focused on helping companies navigate the corporate governance landscape as it relates to Board structure, shareholder rights and environmental and social risk. Prior to joining ISS, Dan worked with Donnelley Financial Solutions, a global leading provider in the capital markets field, to provide financial reporting and compliance solutions to listed companies. He also held significant advisory roles with Thomson Reuters and SS&C with key focus on supporting corporate issuers with Investor relations and compliance requirements. He holds a Degree in Economics and Finance from the University of Hong Kong.
