- **Student Ambassadors Programme (SAP) 2021-2022 – Recruitment of mentors**

SAP is an effective platform to learn about the dual qualification of Chartered Secretary and Chartered Governance Professional for local undergraduates. One of the key features of SAP is the Mentorship programme which is a platform for student ambassadors to learn from experienced members of the profession.

We would like to cordially invite Institute members to join the SAP Mentorship programme, as a mentor. The programme gives mentors the opportunity to contribute to the profession by sharing their professional experiences and knowledge with mentees.
